This year most of the performances will be on Tuesday night with shorter performances on Wednesday night. This will allow you to plan your Temple party on Wednesday evening while still enjoying the performances. The units work hard to perform at Supreme Session and we are hoping this change will encourage more attendees at the evening performances.

Don't forget to bring your Temple Banner and if you are planning on going across the border it is suggested you have a passport. We have fun so the kids can run, just imagine the fun we will have at Supreme Session 2017!

Cleo Love and Hugs,

Cathy Carol Rose, Supreme Queen
