

These members of the Membership/PR committee met recently in Salt Lake City, Utah, at the Wild West Wing Ding weekend. It was an organizational meeting hosted by Lybia Temple No. 32 to talk about establishing an association similar to the ones now being held annually in Texas, Florida, and the Northeast. Sapphira Temple No. 79 Helena, Montana, has offered to host one for 2014. There was a Membership Seminar, a “Miss Manners” Seminar, and a presentation by the Action Team with PQ Nancy Ryder, Arok Temple No. 94 as Chairman.

The local Job's Daughters Bethel presented the lessons of the five Messengers in a beautiful, proficient and impressive manner. The First “Royal Order of the Jackalope” Degree was administered to those attending provoking laughter and offering fun entertainment.

The weekend was full of food, fun and Nile fellowship. It concluded with the Official visit of SQ Margaret Ann to Lybia Temple and a visit to the Salt Lake City Hospital. PSQ Eleanor Carlston was present all weekend and offered her usual wonderful words of wisdom and her warm and caring attitude. She is a true star in our crown as we celebrate 100 Years of Daughters of the Nile.

After the hospital visit a two car caravan headed to Rawlins, Wyoming, and a “blizzard” for another SQ visit..... but then that is a story for another time!
