

It's Party Time!

Let's have a party! How does that help membership, you ask? Well, it's not just any party, it's a party for all the Past Queens to celebrate with a reunion for THEIR new

Princesses initiated during their year(s) as Queen. You can make it a dinner, a luncheon or just have hors d'oeuvres.

Get your Past Queens to decorate a table or tables with THEIR theme (i.e. Egyptian Maidens, Magicians, Shining Stars, etc.) and invite all the ladies who were initiated during their year of reign. Some may be current members, active or inactive, some may have dropped their membership, and sadly, some may have died. Make every effort to invite all those long forgotten ladies back into the fold. If a Past Queen is deceased, have other Past Queens pick up her Princesses.

At the day of the function, be sure to have plenty of Petitions for Reinstatement available as well as the current fees for reinstatement. Check with your Princess Recorder for the exact amount they would need to submit with their petition (usually two years' dues). Encourage all members and previous members to get involved and get active.

So, Ladies, let's have a party!!

*Charlyn A. Coleman, Past Queen
Supreme Temple Membership and Public Relations Committee*
